

OHIO CUSTODIAL MANAGEMENT The Cleaning Times

VOLUME 170

JANUARY — MARCH 2020

Message from the President

To Our Valued Employees,

We understand that the global concern regarding the COVID 19 outbreak may cause you anxiety and want to assure you that we're doing our best to keep everyone healthy and safe in the workplace as we provide the essential function of cleaning. Our housekeeping services are critically important in keeping our fellow co-workers and our customer's employees safe.

We are closely monitoring all updates from reputable sources as well as directives from the Governor and public health officials. We are coordinating a fluid response to this pandemic as new information becomes available; but we want to encourage you to obtain your information from official sources only such as the CDC and resist the urge to follow reactionary news or gossip you hear from unofficial sources.

In order to achieve a safe workplace for all; please follow the instructions put into place to reduce the chance of infection. These controls include wearing masks/face coverings, washing your hands with soap and water, utilizing hand sanitizer, maintaining social distance, and limiting physical contact with other people or shared surfaces.

We appreciate the efforts you are taking to help us stem the spread of this virus and value your commitment to providing cleaning services to our customers during this unprecedented time. Keep up the good work-we will get through this together. If you have any concerns please reach out to your Site Manager or an Operations Manager so we can try to assist.

Thank you,
Scott Tucker, President

EMPLOYEES OF THE MONTH

January
